## PROVIDER GUIDE

Lasso Healthcare is the nation's MSA leader, offering MSAs in more locations and to more members than any other carrier.

### Medicare Medical Savings Account (MSA) Plan from Lasso Healthcare

Medical Savings Accounts, or MSAs, are a type of Medicare Advantage plan.

The Lasso Healthcare MSA combines health coverage with a special medical savings account. We deposit money from Medicare into the member's savings account. The member decides what health services to spend it on.

CMS designed MSA plans to be consumer-driven, with open clinical access to all Medicare providers and reimbursement just like Original Medicare.

## Frequently asked questions

**We do not contract with Lasso Healthcare.  
Can we submit claims for reimbursement?**

Yes! Lasso Healthcare is a non-network MSA plan, so we have no "network" or "contracted providers" like other Medicare Advantage plans. Thousands of providers already accept the Lasso Healthcare MSA, including some of the largest and most renowned systems. Claims submission does not require a contract and follows the same process used to submit out-of-network PPO claims.
